A Nature Scavenger Hunt

Collect

Observe

<input type="radio"/> A feather	<input type="radio"/> A mushroom
<input type="radio"/> A walking stick	<input type="radio"/> Animal tracks
<input type="radio"/> A wildflower	<input type="radio"/> Bald eagle
<input type="radio"/> Birchbark	<input type="radio"/> Burdock leaves
<input type="radio"/> Cattails	<input type="radio"/> Insect or a bug
<input type="radio"/> Cedar	<input type="radio"/> Robin or a Chickadee
<input type="radio"/> Dandelions	<input type="radio"/> The coolest rock
<input type="radio"/> Pine needles	<input type="radio"/> Wild berries

Grab your group of friends/family and head out for a fun hike to find these interesting items! You can also make it a challenge and time how long it takes to collect and observe everything on your hike!

Kulelomok – Goodluck!

“Take only memories, leave nothing but footprints.” Chief Seattle
